Project Submission Guidelines
Spring 22_23 (Final-Term)

Project Submission

- Project Submission deadline is no later than 30 April 2023 (Sunday) at 8:00 AM through AIUB Portal (i.e., VUES)
- Only one group member is required to submit their project report on behalf of the project group members. Multiple submissions will be penalized with some project marks.

Checklist before Project Submission

Before sending your project report, it is very important that you have:

- Use the project template available in VUES Portal to write your project report.
- Rename the project template (Only Docx format, NO PDF) with your assigned Group Number and your project title.
  Example: **Group 1 - Emergency Medical Help System.docx**
- Ensure that you've written down the class serial of each group member on the cover sheet of the project report.
- Ensure that you have completed your project report following the given guidelines during the Theory/Lab session (also available in the project report writing template).
